

Dear Friends of the St. Paul Clinic in Honduras,

Saint Paul Catholic Church is preparing for its annual Harvest of Hope and Healing fundraising event that supports the St. Paul Clinic in Honduras. Last year's golf outing was a huge success and we are excited to sponsor our 2nd annual golf outing. Every day the St. Paul clinic provides health care, dental, vision care and a safe haven for the poor and vulnerable of Tegucigalpa and beyond. This year's event is at:

The Bretton Woods Golf Course
15700 River Rd, Germantown, MD20874
Monday, September 19, 2022
Registration 9 am

Saint Paul Clinic is funded entirely by donations. Since its inception in 1999 the clinic has cared for thousands of vulnerable people, some struggling with acute and chronic medical conditions. The clinic provides all medications, tests, referrals, and often transportation at minimal or no cost to the patients. Our goal is to ensure that no one goes without medical care.

The parish of Saint Paul cannot make this event successful without sponsorship, support and contributions. Please help us in attaining our goal of providing quality health care for the people of Honduras by becoming a sponsor for this year's golfing charity benefit. A list of recognition opportunities is attached. Visit our [website](#) or click [here](#) for your online donation. If you have questions, please contact me at 301-580-3274 or by e-mail to Honduras@stpauldamascus.org

Saint Paul Catholic Church is a 501c(3) non-profit organization, Tax ID #23-7427474.

We appreciate your support for the success of this important event.

Sincerely,
